

About us

Clover Court

We are an 84 place day nursery for 0 – 5 year olds situated in the centre of Maidenbower, so we have easy access for the Maidenbower community.

We have six rooms in total, one room for the 0-14 months and it is dependent on the child as an individual when they feel comfortable to move on to the next room, which is for 14 months to 2 ½ year old children.

Outside the children get involved in lots of activities and we have a sand and mud pit, garden and safety surface area and for the 2 ½ -5 years old children we have a wooden maze.
