

About us

Acorn Cottage

We are a 50 place day nursery in Horley on the Sussex and Surrey border, located near Gatwick airport.

Acorn Cottage is a converted house which offers a cosy baby room for babies 0-15 months, a toddler area & pre-school room.

All rooms have direct access to our outside learning environment boasting a large grassy area, safety surface for bikes and ball games, outdoor sand pit and wooded area with mature trees.

The children also get the chance to join in Spanish Lessons, Dance, Football and Forest School sessions.
