

About us

We are a fun place with friendly qualified staff, where children come to relax, have fun and make new friends while parents have peace of mind at work knowing their children are safe and enjoying themselves.

We cover everything from breakfast club and after school, to inset days and every school holiday including independent school holidays with extended opening hours from 7.30am to 6.30pm. In the afternoon children are collected from school and at the club, have the opportunity to unwind, enjoy a cooked tea with a choice of fun activities inside or outside!

Outdoors we have a big garden including swings, monkey bars, sand play and plenty of room for football, and lots of other games. Including a shady area to relax and chat to friends. Inside there are lots of different toys and games to choose from, including the Nintendo Wii, computer, air hockey and table football, even archery! We also have fun activities planned every day, from colouring & drawing, paper puzzles to cooking, art & craft, reading/listening to stories and of course plenty of toys and other games to keep them entertained!

All this in a homely environment with exciting trips out everywhere in the holidays to Farms, Adventure parks, the Theatre, to Trampolining and Gymnastics including opportunities such as Bush craft and Science for kids!
